Description of INVESTIGATION SERVICES:

• MARITAL MISCONDUCT

We provide the documentation and evidence that can help you and your attorney get what is rightfully yours in divorce proceedings. If your spouse is cheating, we will find out the truth. We can determine if there is any intent or inclination of cheating. All the latest equipment may be used. We use GPS tracking devices and the best in video and camera equipment. All of our infidelity agents are trained in the methods of covert surveillance.

• CHILD CUSTODY

We can document and gather the evidence that could prove in a court of law that the child may be:

- BEING ABUSED OR NEGLECTED
- BEING IGNORED OR ABANDONED
- BEING LEFT ALONE OR WITH UNSUITABLE PERSON(S)
- LIVING IN A DANGEROUS OR UNSUITABLE ENVIRONMENT
- BEING EXPOSED TO DRUG AND/OR ALCOHOL ABUSE
- BEING EXPOSED TO OTHER SCENARIOS DETRIMENTAL TO THE WELL-BEING OF THE CHILD

• CRIMINAL & CIVIL INVESTIGATIONS

East Coast Private Investigations is able and ready to assist in the preparation of your trial needs. From full homicide investigations to civil suits to domestic issues to witness statements and locates. Our agents are all experienced witnesses.

• TRACKING DEVICES

If you need to know the ongoing destinations of a spouse or a child, we can help you track the activity of a loved one.

• COHABITATION

Make sure your alimony settlement is fair. We can help provide evidence that an ex spouse is not adhering to the parameters of your divorce settlement, which could result in cancelled alimony.

• MISSING PERSON

We have access to nationwide information that will assist in finding a person of interest or a loved one that you cannot locate.

• BANK SEARCHES

We can research and access personal bank records that the general public is not privy to.
